

## RoHS3 Certificate of Compliance

Beacon EmbeddedWorks, a Federally registered trademark owned by Compass Electronics Group, LLC., certifies that the products listed below are compliant with the European Union RoHS Directive 2011/65/EU (also known as RoHS recast), including the amendment under Directive (EU) 2015/863.

The following exemptions, as defined in Annex III of Directive 2011/65/EU, apply to this certification:

7(a) Lead in high melting temperature type solders (i.e. lead-based alloys containing 85% by weight or more lead)

7(c)-I Electrical and electronic components containing lead in a glass or ceramic other than dielectric ceramic in capacitors, e.g. piezoelectric devices, or in a glass or ceramic matrix compound

Beacon EmbeddedWorks acknowledges that our customers will rely on this certification in determining the compliance of its products to the European Union Directive 2011/65/ EU and amendment Directive (EU) 2015/863.

### Compliant Product Models:

SOMIMX6-PHY01-xxxxR-A  
SOMIMX6-PHY02-xxxxR-A  
SOMIMX6D-10-xxxxxxxxxxx  
SOMIMX6D-11-xxxxxxxxxxx  
SOMIMX6Q-10-xxxxxxxxxxx  
SOMIMX6Q-11-xxxxxxxxxxx
